

Please help us develop a more complete profile of our shelter animals by recording the dog's behaviors and reactions observed both on the trails and in the pens. This will provide the staff more information than they currently have and enable them to communicate more knowledgeably with potential adopters.

Volunteer Name _____

Dog's Name _____

Date _____

Inside the Pen:

- Sits on command
- Readily accepts collar and leash
- Jumps up on you/difficult to calm down
