## Doggie Draft Dodger

### Materials:

- 1 pair women's tights
- Uncooked rice
- Needle and thread
- Fabric glue
- Felt
- Googly eyes
- Scissors
- Paper clips
- Button
- Old belt or bracelet

## Instructions:

1. Cut one leg from a pair of women's tights and fill it with rice. Leave enough room to tie the open end into a tight knot.

2. For a tail, apply fabric glue across the base of a felt triangle (ours was about 2 1/2 inches wide and 7 inches tall) and sandwich it around the knot.

3. Apply more glue to the sides and then fold the felt in half. Secure the tail with paper clips until the glue dries.

4. Glue on googly eyes. Attach felt ears by draping each one over the head, as shown, and then sewing the base in place. This way, when you flop the ear down, the stitching won't show.

5. For the finishing touches, sew on felt feet and a button nose (we used a triangular shank button). Then use your hands to shape the nose and body. Don't forget a collar: an old belt trimmed to fit, or even a bracelet.
