## Dog – T-Shirt Braided Toy

For this project, the only things you need are two t-shirts and a pair of scissors. Have a couple old shirts lying around with a stain or two? This is the perfect project to reuse them!

- Start by cutting little 2-3” wide slits at the base of your shirts. After you’ve cut your slits, just rip along the slit and your t-shirt will have the perfect strips of fabric for the next step.
- Gather your t-shirt strips and tie off one end. Divide your strips into thirds and braid them together.
- Once you’ve braided down to the other end, tie up the bottom and cut any straggling t-shirt strips.
