

LIVE TRAP RENTAL AGREEMENT

I, the undersigned, accept responsibility for the use and return of a Heart of the Valley live trap, according to the conditions listed below:

1. If the animal trapped is wildlife (i.e. skunks, bats, raccoons) it must be released into a suitable area.
 2. If the animal trapped has bitten, it needs to be euthanized or quarantined for 10 days. If euthanized, the animal needs to be taken to the diagnostic lab for rabies testing.
 3. The trap can only be baited with non-poisonous food.
 4. The trap must be placed on the property of the borrower.
 5. The trap must be checked every 8 hours or less to prevent inhumane confinement.
 6. Heart of the Valley is not responsible for pick up or transport of the animal.
- A \$50 DEPOSIT must be paid to the Heart of the Valley at the time of trap pick up.
 - Failure to return the trap within 7 days of this agreement or return of a damaged trap will result in forfeiture of the deposit.
 - The \$50.00 deposit will be returned in full if the above conditions are met.
