

Steve Blackmore

Steve joined us after a corporate finance career working for various multinational companies in Pennsylvania and Oregon. His last role was V.P. & Treasurer and Assistant Secretary of Precision Castparts Corp., a leading global manufacturer of complex metal components and products for the aerospace, power and industrial markets, now a Berkshire Hathaway subsidiary. His professional expertise includes cash management, risk management and insurance, capital markets, investment and pension management and executive leadership. He has an MBA from Carnegie Mellon University and has previously used his professional expertise to volunteer for several outdoor-focused non-profits. Steve moved to Bozeman to become closer to the outdoors and pursue biking, hiking and skiing opportunities. He adopted Sam from HOV in 2021 as a puppy and has enjoyed watching him grow and mature, especially on those days when he is well-behaved! Steve is a member of the Finance Committee of the Board.
